

## READY TO GO INTERNATIONAL?

Are you ready to make connections with international markets and startup ecosystems? Our international Landing Pad network offers you the opportunity to explore markets worldwide. Participants of the ACE Incubation Program may apply for an exchange program to explore startup ecosystems abroad. There are currently spots available at UnternehmerTUM (Munich, Germany), and PoliHub (Milan, Italy).

**More partnerships will be announced soon!**

### WE OFFER

- Office space at an international incubator, including wifi (mon-fri, 08:00-18:00)
- Exclusive access to the local startup ecosystem and networks
- Exchange knowledge with other startups at the local incubator
- Gain visibility through social media and website of the local program

### FOR WHOM

- You are currently, or have been enrolled in the ACE program
- You want to grow internationally and check out markets abroad
- You have a clear and specific set of goals you want to achieve during your stay
