

ACE SERVICE PROVIDER INFORMATION (DE VRIES & METMAN)

As an ACE program participant, you have access to our network of service providers. At any stage during the Incubation Program and up to two years after the starting date of your contract with ACE Incubator, you have the opportunity to benefit from their services. All services are offered at partially free and/or reduced prices. Our service providers offer financial, tax and legal advice, grant support and more. Find details below.

ABOUT De Vries & Metman

De Vries & Metman (DVME) offers patent services via its three offices in the Netherlands in all fields of technology. With its main office in Amsterdam, DVME is internationally recognized as a high-quality tier 1 patent attorney firm. Its client portfolio ranges from global operating multinationals to high-tech start-ups, universities and research institutions. DVME represents clients before the Dutch and Belgian Patent Offices and the European Patent Office (EPO) and manages prosecution of patents outside Europe through its global network of associate firms. DVME has a technically qualified attorney at law and many of its attorneys have industry experience.

EXPERTISE

- Patent protection in The Netherlands, Europe and worldwide.
- We guide you through the full process of protecting your invention.
- We have patent attorneys in all fields of technology including: ICT (AI, IoT security, telecommunications), electronics and high-tech (nano-technology, integrated optics, image processing), mechanical and medical engineering (3D printing, offshore, personalized medicine), chemistry and life sciences and bio-technology.

HOW IT WORKS

- Set up an appointment with DVME via the ACE team or contact DVME at +31(0)205110390.
- The first 1-hour interview is free.
- Follow-up sessions in consultation with DVME.
