

## ACE SERVICE PROVIDER INFORMATION (PNO CONSULTANTS)

As an ACE program participant, you have access to our network of service providers. At any stage during the Incubation Program and up to two years after the starting date of your contract with ACE Incubator, you have the opportunity to benefit from their services. All services are offered at partially free and/or reduced prices. Our service providers offer financial, tax and legal advice, grant support and more. Find details below.

### ABOUT PNO CONSULTANTS

PNO is Europe's leading innovation consultancy and supports ambitious companies and their innovative ideas by providing funding and innovation intelligence services. Throughout the years of its existence, PNO has gained significant expertise on (public) funding at regional, national, and European levels. With its services, PNO supports start-ups, established SME's, large enterprises and universities across all research disciplines and sectors. In this way, the company has expanded its network of innovative companies and other relevant stakeholders like investors, ecosystems, and local governments.

### EXPERTISE

Expand your possibilities PNO can support you in developing your ambitions, exploring funding opportunities, preparing and submitting your application and complying with the funding scheme's administrative and legal requirements. PNO finds it important to think along and guide you through the exciting funding landscape.
