

## ACE SERVICE PROVIDER INFORMATION (FINMARK)

As an ACE program participant, you have access to our network of service providers. At any stage during the Incubation Program and up to two years after the starting date of your contract with ACE Incubator, you have the opportunity to benefit from their services. All services are offered at partially free and/or reduced prices. Our service providers offer financial, tax and legal advice, grant support and more. Find details below.

### ABOUT FINMARK

Finmark is a technology company that provides financial planning and modeling software for startups. Finmark's platform takes complex financial concepts and calculations and distills them down into a simple to use interface so companies can easily update, inspect, and share their financial metrics. Companies, from pre-revenue to pre-IPO, rely on Finmark to align teams, drive collaboration, reduce costs and resources, and build the next generation of great startups. Ensure your financials hit the mark at <https://finmark.com>.

### EXPERTISE
