

ACE SERVICE PROVIDER INFORMATION (BYTECODE)

As an ACE program participant, you have access to our network of service providers. At any stage during the Incubation Program and up to two years after the starting date of your contract with ACE Incubator, you have the opportunity to benefit from their services. All services are offered at partially free and/or reduced prices. Our service providers offer financial, tax and legal advice, grant support and more. Find details below.

ABOUT BYTECODE

We are a tech partner for software startups. Bytecode enables software-focused startups to go to market faster and better. We enable this by acting both as a technical partner and (interim) CTO. We build & shape MVPs and have the experience to advise on product scope, business model, technical challenges, hiring, and choosing functionalities before expanding the MVP. Our method contains working iteratively while maintaining quality and engaging in a close partnership.
