

ACE SERVICE PROVIDER INFORMATION (SCALEWAY)

As an ACE program participant, you have access to our network of service providers. At any stage during the Incubation Program and up to two years after the starting date of your contract with ACE Incubator, you have the opportunity to benefit from their services. All services are offered at partially free and/or reduced prices. Our service providers offer financial, tax and legal advice, grant support and more.

ABOUT SCALEWAY

Scaleway is the leading alternative European infrastructure and platform as-a-service provider, catering to the global market with the essential mix of cloud computing resources that is flexible, cost effective, reliable, secure and sustainably powered. The only triple play cloud provider to offer private data center colocation and infrastructure, dedicated servers for maximum control and punch, and a modern and elastic public cloud ecosystem. Scaleway is constantly growing around the world, and currently serves 300,000+ clients in over 160 countries. Scaleway's services are deployed via six data centers located in three regions: Paris (France), Amsterdam (Netherlands) and Warsaw (Poland).
